It all started one eerie, Halloween night	in a haunted row of tomatoes	the Mini Munchies monster Blue	all the veggies came to life.
On a frightful night when the moon was full and shining bright	inside a truck that has suddenly come to life	an angry group of Bumblebees	crashed through the glass of the greenhouse.
10 years ago, on Halloween eve	in a dark and spooky grocery store	an enchanted Sweet Bell Pepper	a strange looking plant mysteriously appeared.
