

- 1. Print & cut around outside of fortune teller.
- 2. Fold the paper into quarters, so your large square is creased into 4 smaller squares.
- 3. Open up the paper and flip over so the design is face down. Fold each corner into the middle "X" where your crease lines cross.
- 4. Turn over and repeat.
- 5. Turn over so you can see the pictures.
- 6. Slide your thumb and your finger behind 2 of the pictures & press together so they bend round and touch.
- 7. Turn over and repeat with the other hand on the other two pictures.
- 8. All pictures should be at the front with the centers touching.
