

# FINEST FLAVORS™

GREENHOUSE GROWN LETTUCE

## TRIO MIX

A beautiful lettuce head of not one, not two, but three types of lettuce on one root ball. The combination of 3 varieties produces an attractive 'bouquet' with an interesting mix of colours and leaf shapes.

### SPECIFICATIONS

	FORMAT	UPC / GTIN	TIE	TIER	AVAILABILITY

### RED CRISPY

Delivering a sweet taste with crunchy, iceberg-like leaves, Red Crispy Lettuce is like no other. Its double red leaves have a very defined look, and its inner leaves are not bitter. Its texture is similar to romaine, and it's perfect for making a salad pop!

### RED OAKLEAF

Red Oakleaf is a variety with delicate, oak leaf shape, lobed, burgundy-colored leaves with a slightly nutty flavor.

### GREEN CRISPY

Sweet flavor and crunchy, crisp, succulent leaves. Medium-dark green leaves with a very defined, three-dimensional shape. Sweet, almost romaine-like flavor, with a crisp, almost iceberg-like texture.
